IMPORTANT!

Please do not cut remaining yarn and leave rest of yarn on spools.

Please follow previous filling instructions.
Do not mix different types of spools
in one box. Better send incomplete boxes.

Put a wooden pallet under each box.

Do not collect empty cardboard packaging.
Empty cardboards use only for returning bobbins and separators.

- fill box only up to the edge
- close the big box with the original bottom cover
- store all boxes dry
