

Certificate

We certify on the basis of knowledge and information given by our suppliers that the glass filaments and glass yarns, which are a subject of production range in our manufacturing sites Saint-Gobain ADFORS VETROTEX Europe and North America do not contain, in concentration above 0.1% in weight, any substances on the list of SVHC (substances of very high concern) published by the ECHA on October 28th, 2008 up-dated on June 27, 2018.

A handwritten signature in dark ink, appearing to read 'A. Puech', with a horizontal line underneath.

Agnès Puech
EHS Manager ADFORS Saint-Gobain
July 2018
